Slug Sports User Guide:

Description:

Slug Sports is the easiest way to arrange pick up sports games amongst the UCSC community. This app provides an easy to access public place for people to schedule pick up sports games with all other Slug Sports users. You can post a game that other people can join or join games others have already posted. Using our app will help you play more of the sports you love and help you stay active in the UCSC community.

Download instructions:

To download the app simply search for 'Slug-Sports' in the Google play store. When you find it tap download. Slug Sports is free for all users but will require internet or phone connection.

How to View Events:

1. The first screen of the app will prompt you to sign in. You can use either your UCSC email and blue password or a Gmail email and password as an account.
2. Once you are signed in tap find a game.
3. You will see a list of sports. Tap on the sport that you are trying to view events for. If the sport you with to view events for is not there tap Other.
4. After choosing a sport a list of locations to play that sport will appear. Choose the location you wish to view events for. If the location you with to view events for is not there tap Other.
5. A calendar will come up after you have chosen a location. Pick the day you wish to view events for.
6. A list of all the events for the sport, location and day will appear. You can tap on any of the events for more details or tap create event to add your own event to the list.

How to Join Events:

1. Once you are signed in tap find a game.
2. You will see a list of sports. Tap on the sport that you are trying to play. If the sport you with to play is not there tap Other.
3. After choosing a sport a list of locations to play that sport will appear. Choose the location you wish to play. If the location you with to play at is not there tap Other.
4. A calendar will come up after you have chosen a location. Pick the day you wish to play.
5. A list of all the events for the sport, location and day will appear. Tap on the event you would like to join.

6. Tapping on an event will bring up the events page which includes details about the event. To join you tap the join button. If you have already joined the event and want to unjoin tap on the unjoin button.

How to Create Events:

1. Once you are signed in tap find a game.
2. You will see a list of sports. Tap on the sport that you are trying to play. If the sport you with to play is not there tap Other.
3. After choosing a sport a list of locations to play that sport will appear. Choose the location you wish to play. If the location you with to play is not there tap Other.
4. A calendar will come up after you have chosen a location. Pick the day you wish to play.
5. A list of all the events for the sport, location and day will appear. Tap on Create Event to add your own event to the list.
6. You will be prompted to enter details about your event such as the time you wish to play and a description of your event. In the description field include any information that is needed such as weather or not you can supply the needed equipment. Once you tap Create the event will be added to the calendar and other people can join.

How to View the Map:

1. Once you have signed in tap Find Location on Campus to open the map section of Slug Sports.
2. At the top of the screen to select the location you want to see a map of.
3. Tapping the menu button will bring up several options including directions which will allow you to get directions to the location of your event.
